Entrepreneurship Camp Held at GIT Campus

Belagavi: KLS Gogte Institute of Technology (GIT) conducted 'Hackathon- 15,' a two-day boot camp on entrepreneurship on its premises on Monday. The camp was organised in association with the ICT Skills Development Society, Department of IT, BT and S&T.

The camp focused on inculcating entrepreneurship skills among budding engineers. NAIN (New Age Incubation Network), an incubation centre at GIT is formed by the state government under the banner of Karnataka IT, BT and S&T wing to motivate young students to come out with innovative ideas to address local problems and provide feasible

solutions. As part of the exercise, the participants had to identify a business opportunity and generate profits. The profit earned by the participants was donated for a social cause which helped in creating social entrepreneurship awareness among the students. A mid-day meal scheme was sponsored for orphan children living in Swami Vivekanand Seva Pratishtan Gangamma Chikkumbimath Bal Kalyan Kendra, Belagavi, from the profits earned.

GIT Principal Dr A S Deshpande, Coordinator Prof Santosh Saraf and Regional Coordinator Vinayak Hosamani served food to the children.
