Supersonic Racers bag 2nd prize in Karting League

BELAGAVI, DHNS: KLS Gogte Institute of Technology (GIT) Department of Mechanical Engineering team 'Supersonic Racers' participated in the national level go kart championship competition 'Indian Karting League' organised by Vayuputra Motor Sports at racing track 'Mecokartopia' in Yelahanka, Bengaluru and won second prize.

As many as 54 teams from

different states from all over India participated. The race was carried out in league format by Federation of Motorsports Clubs of India team. Supersonic Racers from GIT bagged second position in the competition. It is for first time that among any engineering colleges located in and around Belagavi, GIT is the only team which has fabricated a go kart for racing competition.
